CoreCourseGPA.com allows school counselors, coaches, parents and student-athletes to easily track a student-athlete's progress towards meeting NCAA Eligibility Center requirements (formerly NCAA Initial-Eligibility Clearinghouse) for both Division I and Division II.

CoreCourseGPA.com generates a detailed "Initial-Eligibility Status Report" which provides the student/parent, coach or counselor with both the Division I and Division II core course GPA as well as corresponding minimum required SAT and ACT scores and a complete listing of the number of core course credits satisfied and the number to be completed.

In addition to providing a time-saving tool to calculate NCAA core course GPA, CoreCourseGPA.com also provides counselors, coaches, parents and student-athletes with pertinent information pertaining to financial aid, the recruiting process and other academic subject matter.
