### Scheduling Information 2024-2025

Dear 6th Grade Students and Families,

We hope you have enjoyed your first two quarters of middle school! This school year is going by quickly and we are already starting to plan for next year.

**Between February 1 and February 11, 2023, you need to make course selections for 7th grade. This will be done through the Parent/Student Portal. Please click [here](#) for instructions on how to access the Parent/Student Portal.**

**You will make the following selections:**

- A World Language (you will have to select a first choice and a second choice): French, German, Italian or Spanish
- An Elective: Project Lead the Way, or, Pre-Algebra

**It is important to note that:**

- World Language is a two year course at the middle school level. Students are granted one (1) unit of high school language credit, providing they pass the FLACS A assessment, at the end of grade 8
- Pre-Algebra is a mandatory prerequisite for participation in Algebra 1 in 8th grade

Please read the Course Selection Guide's descriptions of each course you are interested in before making your selections. You can find it [here](#).

**Please click [here](#) for directions on how to make your course selections.**

You must complete this process before February 11, 2023.

Please let your counselor know if you have any questions.

Sincerely,

Mrs. Jennifer Harnett (A-I)  
Mrs. Jennifer McGlone (J-P)  
Mrs. Melissa Johnson-MacKenzie (Q-Z)
