April is the perfect time to celebrate the coming of Spring. It's the perfect time to head outdoors and explore all the different flowers in bloom. On April 22nd, we celebrate Earth Day! SEL has become prevalent in our schools and extremely beneficial in helping children practice mindfulness and positive thinking throughout the day.

Listen please!

It is spring.  
The sky is blue.  
The grass is green.

## SPRING CHANT

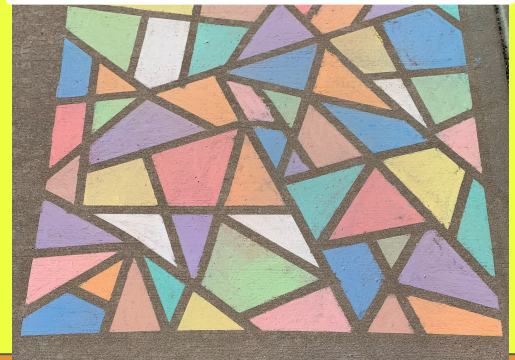

The flowers are  
orange, yellow  
and pink.

The children are  
happy and they sing:  
It is spring!  
It is spring!
