Mark Secaur, Ed.D.
Superintendent of Schools

July 3, 2023

Dear Parents and Guardians of the Class of 2024:

I hope that your summer is off to a safe and enjoyable start! This letter is to inform you that High School West has coordinated the dates for the Class of 2024 Senior Portraits. We are excited to be partnering with **Island Photography** once again for these photos, which is the company that has been responsible for photographing our graduation ceremonies for many years. Please note that **Island Photography** is the ONLY photographer that the District is working with for our seniors in the Class of 2024.

Island Photography will be taking the Senior Portraits on Tuesday, August 29th, Wednesday, August 30th and Thursday, August 31st in the Smithtown High School West Auditorium. Students may enter the building using the front entrance to the school upon arrival. In the coming weeks, you will receive a letter from **Island Photography** with your appointment time and day along with all necessary information needed for your student's photo session. If you are unable to make your appointment, we will have additional dates available later in the fall months at the school.

Seniors at High School West are traditionally photographed for their yearbook photo wearing the studio provided tuxedo and drape attire. While this is the portrait that will be used in the yearbook, students will also have the opportunity to take photos wearing our cap and gown regalia (items also provided by Island Photography). Any additional photos that are taken aside from the tuxedo and drape attire portrait are for additional purchase, not specifically for inclusion in the yearbook.

Once again, please direct any questions you may have to Island Photography at (516) 767-1234. I wish you and your family a wonderful, relaxing summer.

Sincerely,

Sara Stone (Safranek)
School Counselor
Yearbook Advisor
