

Helpful Links for Finding Leveled Books

[Scholastic Book Wizard](#)

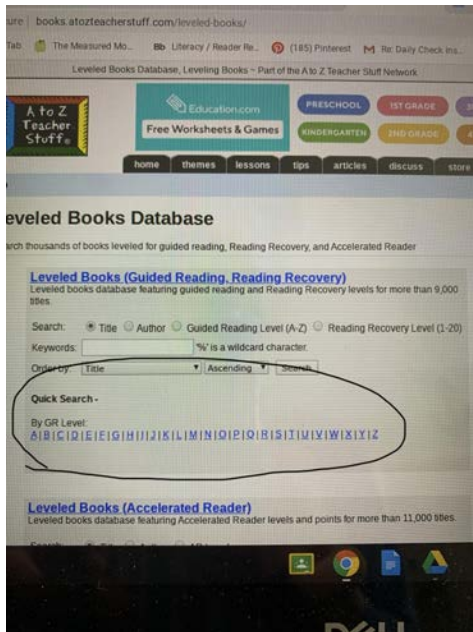

- Go to the “Reading Level System” menu and select “Guided Reading Level”
- Select your child’s reading level (A-Z)
- You will see a large selection of titles that can be purchased through Scholastic or you can look for the titles in the public library

[Level it Books](#)

- This is an app you can purchase for your phone or tablet
- It allows you to scan a book’s ISBN to view the Guided Reading Level or Grade Level Equivalent.

[A to Z](#)

- This database offers thousands of titles of leveled books

Choose your child’s guided reading level and a list of books will be generated for you.
