

Smithtown SEPTA

Seeing the Ability in Every child

Membership Form

We are a district wide Special Education PTA whose primary function is to offer information, resources and support to parents, students, educators, and those who are interested in supporting quality education for children with special needs.

If your child receives speech, counseling, resource room, reading, occupational therapy, physical therapy or if your child is in a special education class, integrated co-teaching (ICT) class, functional academic secondary transition (FAST) program, or an out of district placement, you could benefit from being a member of SEPTA.
