

The Sparklers offer both an In-House Program and a Travel Program, which offers classes in over 23 School Districts on Long Island.

For our In-House recreational program, our certified coaching staff focuses on teaching the art of baton twirling, while incorporating a unique blend of discipline and fun into their weekly classes.

While the coaching staff prepares our twirlers for a January Show and a June Recital (held in one of the Islands Colleges) they also get to march in local parades and perform at fairs and school functions.
