

Winter Art Classes for Children

Classes run with 4-student minimum so get your friends together for some creative fun!

Portraits in Charcoal, Pastel and Mixed Media Ages 10-14

Sundays Feb 23, March 1 8, 15 1 – 3 pm \$110.00 materials included

In this class, students will draw the portrait from photo reference. Students will learn to use charcoal, pastel and mixed media in order to more accurately depict the human face, while also exploring each student's individual visual language. A new technique will be shown in each class, and students will learn how to use their marks to create more dimension and expression within the human face Instructor Nicholas Frizalone

Creations in Clay Ages 7-10

Saturdays Jan. 25 and Feb. 1 11am to 2:00 pm \$95.00 materials included

In this class, we will be working with clay by hand or using only simple tools, not the pottery wheel. We will explore the various ways of creating functional and sculptural objects by learning different hand building techniques: slabs, coils and pinched pots will be studied. Each piece will dry by air and be finished using paint. Instructor Kim Falco

Watercolor Painting Ages 8-10

Saturdays Feb. 29 and March 7 11am to 2:00 pm \$95.00 materials included

In this class, we will have fun working with different watercolor techniques and painting different subjects! Working with crayons, oil pastels and other resist mediums, we will create different effects when used in combination with watercolor paints. It is fun to see how the different materials interact with each other to create beautiful artwork. Instructor Kim Falco

Popping Patterns in Nature! Ages 5-7

Saturdays, 11:45am-1:15pm Jan. 25, Feb. 1, 8, 15, 22 \$105 materials included

We see patterns and textures every day. They add depth and intrigue to common shapes and objects. Many of these patterns: spirals, cells, stripes, and branches, are seen across different types of animals and plants as well as in the cosmos. We will explore various recurring patterns and bring them front and center through art using vibrant paint, pencil and pastel colors! (Bring a snack!) Instructor: Ivy Berg

The Most Beautiful Planet Ages 5-7

Sundays, 11:30am-1:00pm Jan. 26, Feb. 2, 9, 16, 23 \$105 materials included

Planet Earth is abundant with life diverse in color, form and function. Take an artistic journey, and explore some of Earth's most beautiful and unusual creatures including tropical fish, frogs and lizards as well as some lesser-known creatures of air and land. We will paint on canvas using acrylic paint. Bring a smock, your love of animals and color and a snack, as we will have a short snack break each time we meet. Instructor: Ivy Berg

Mixed Media Landscapes and Seascapes Ages 8-11

Sundays, 1:30pm-3:30pm Jan. 26, Feb. 2, 9, 16, 23 \$125 materials included

Bring dynamic elements to traditional landscapes and seascapes using various painting, drawing and collage techniques. Some of these include paint pouring, glue drawing, spatula painting and paper sculpture. This class is bound to get messy, so be sure to bring a smock. (Bring a snack!) Instructor: Ivy Berg
