Report Recap

From the Superintendent

- Dr. Secaur began his report by inviting Mr. Jason Lambert, the District's Athletic Director, to the podium to introduce and honor our championship teams from the winter season.
- Next, Dr. Secaur shared an update on the Smithtown 2027 Strategic Plan. He provided an overview of the plan and its formation, highlighting the fact that it was devised based upon the input of over 4,000 stakeholders. He then shared the data from this year's survey that gauged our progress with the plan. The data showed a continued, positive trend in parent, staff and student perceptions of the district in a variety of categories.
- Lastly, he outlined how the district utilizes the data to reflect and seek continuous improvement.
