Report Recap

From the Superintendent

- Dr. Secaur began his report by welcoming everyone back from the extended Winter Recess and thanking the district's amazing Facilities staff and custodians for all the work they did in the aftermath of our most recent storm. He also thanked Mr. Scomillio and the Great Hollow team for hosting the meeting in the newly renovated auditorium—a long-awaited project that has truly transformed the space.
- Next, Dr. Secaur noted that the Strategic Plan Survey recently closed with an impressive turnout of over 3,500 participants. The survey results will allow the district to gauge its progress in meeting the goals of the district's Strategic Plan. He noted that there will be a presentation highlighting the survey data at an upcoming Board of Education meeting.
