

Board Briefs

Smithtown CSD

January 13, 2026

Report Recap

From the Superintendent

- Dr. Secaur welcomed those in attendance and expressed his hope that everyone in the school community had a wonderful holiday recess and have begun a Happy New Year.
- Dr. Secaur then introduced Ms. Angelica Babino, the district's Director of Mathematics. She was accompanied by a few teachers and students and they proceeded to provide the Board of Education and the school community with an update on Math instruction within the district. A copy of their presentation can be accessed [HERE](#).
- Next, Dr. Secaur shared upcoming events from the Board of Education Calendar.
- Lastly, the Board of Education was asked to take actions to adopt the revised Districtwide Safety Plan, a policy revision, a Memorandum of Agreement and the new Annual Professional Performance Review (APPR) plan which is used to provide meaningful feedback to our educators and support their ongoing development.

From the Board

- BOE Trustees and an Ex-Officio Student member also shared recent SCSD events and achievements.
- BOE Trustees shared reports from the Facilities, Health and Safety and Policy Committees. as well as SEPTA.
- The full agenda can be accessed [HERE](#). A tutorial on how to use Board Docs can be found [HERE](#).
