## Report Recap

### *From the Superintendent*

- Dr. Secaur wished everyone well in the aftermath of the recent storm and thanked the Facilities staff and the Town of Smithtown Highway Department for all the work they did to prepare our buildings and roads for school that day.
- Next, Dr. Secaur shared some positive reflections from the first half of the school year. He highlighted the successful implementation of the smartphone ban which has led to higher student engagement and socialization. He also praised the improved district governance and discussed the benefits of having a positive, productive Board of Education.
- Dr. Secaur then shared that the district's leadership team worked very closely with our teachers and administrators to develop our Educator Evaluation and Professional Support plan which will better support our teachers and building principals with their professional growth.
- Lastly, Dr. Secaur introduced Christine LoFrese, the Director of Career and Technical Education, to honor students for their success at our most recent Business Olympics.

### *From the Board*

- BOE Trustees and the Ex-Officio Student members shared recent SCSD events and achievements.
- BOE Trustees shared an overview of yesterday's Instructional Services Committee meeting and a recent event hosted by the Smithtown Industry Advisory Board, the Perfect Pitch Speed Networking Competition.
