Assistant Superintendent for Pupil
Personnel Services

August 2026

Dear Tenth Grade Student and Parent:

On Saturday, October 17, 2026, Smithtown High School East will take the **Digital PSAT/NMSQT** examination at **Smithtown High School East** from 7:30am to approximately 11:30am. Juniors take the **PSAT/NMSQT** in preparation for the SAT and to qualify for the National Merit Scholarship Program. **All tenth graders may sit for the PSAT if they choose.** The profile of students who take the **PSAT** in tenth grade are those who have completed Geometry Honors or English 9 Honors. Please note that the test was designed for an 11th grade student who has completed coursework that is compatible with the questions asked. More important, however, we ask you to consider whether the timing of the overall experience is in your child's best interest.

Tenth grade students' scores do not count toward the National Merit Scholarship Program. Students will need to retake the **PSAT** in their junior year to qualify for the award.

The Smithtown Central School District uses an online payment processing system, **SchoolPay** to allow parents easy and convenient online access to pay fees 24 hours a day 7 days a week. Parents must make a PSAT payment of \$37.00 using [SchoolPay](#). You will have to make an account. You can pay with a debit or credit card. Registration will be open August 27th at 8:30am through September 25th at 3pm. We are unable to accept registrations beyond the September 25th deadline.

Please log onto your child's College Board account now before the [Accommodation Deadlines](#) to ensure your accommodations are approved and up to date. If you do not have an account you can create one on the College Board website. If you have not yet requested accommodations or if the approved accommodations are outdated, please submit a request through this [Google Form](#) so the school can apply on your behalf. All PSATs will be administered in a digital format unless a paper version is required through an approved SSD accommodation from the College Board (see [Accommodations for Digital Testing](#)). If you have further questions regarding accommodations, you can call the College Board's SSD office at (609) 771-7137.

Your child will be required to use their SCSD managed Chromebook to take the exam. In order to access the PSAT exam, your child will be required to use a digital application called **Bluebook**. SCSD has downloaded the Bluebook App to all student Chromebooks. You should take the time to become familiar with it before you take the exam. You can find the help document [here](#). On exam day, you will access, complete and submit the PSAT completely online through the Bluebook app.

Your receipt from SchoolPay is your child's admission ticket. Your child must present the admission ticket (receipt), along with a photo ID on the day of the test. Bring two #2 pencils (sharpened) and a Calculator

Students will not be permitted to go to lockers before the test.

If you have any further questions regarding the PSAT examination, please contact your child's school counselor at: 631-382-2750.

Sincerely,

Kevin Colon
