Dear Parent or Guardian:

New York State Law requires schools to request Dental Certificates for the following grades:

Kindergarten, 1, 3, 5, 7, 9 and 11, as well as new students entering the district. Please have your child's dentist complete the bottom of this letter and **return it to the health office of your child's school as soon as possible.**

Should you have any questions, do not hesitate to call your school's health office.

Thank you for your attention to this matter.
