

**IMMUNIZATION REQUIREMENTS FOR STUDENTS ENTERING GRADE 6  
IN SEPTEMBER 2025**

Dear Parent/Guardian

New York State Law Section 2164 requires certain immunizations (shots) to enter 6th grade and attend school. Please check with your healthcare provider as soon as possible to make sure your child has all the needed immunizations. They are listed below.

| <u>Immunization</u> | <u>Number of Doses</u>                   |
|---------------------|--|
| <b>Tdap</b>         | 1 dose after the minimum age of 10 years |

Once a student turns 11, he/she must provide documentation of a booster dose of Tdap, or provide proof of an appointment for the booster dose within 14 days.

Please have your child's physician complete the form below and return it to the Health Office.
