

School Mental Health School Avoidance Workshop: A workshop for parent education with an opportunity for parents to support each other.

Cohen Children's Medical Center's School Mental Health Program is proud to provide five 6-week educational lunch and learn workshop series throughout the 23/24 school year, for parents to learn about school avoidance with a focus on skills and strategies to support children.

This workshop will educate on:

- What is school avoidance?
- Who does school avoidance impact and why?
- Strategies to decrease school avoidance
- Where you can find additional resources

The workshops are a 6-week program, on Tuesdays at 12:00-12:45pm.
