

On-Site Admissions Day

Attention Seniors! High School East will be conducting our annual Suffolk Community College On-Site Admissions Day on **Thursday, October 29th** in the library. Please make your appointment in the counseling center starting October 14th to reserve your time slot. We will be accepting appointments up until October 23rd. Students will be able to apply for free to Suffolk online with the admissions counselor using their charged chrome book!

There will be more information provided on the cover sheet once students sign up for a specific period to attend.

The counseling center will provide official transcripts directly to Suffolk Community College for all students signed up for this onsite day.
