**Robert J. Rose**  
Principal

Dear Smithtown Community:

In May of 2021, The Smithtown East Leadership class unveiled the Wall of Heroes honoring those veterans from Smithtown who served. Please help us continue to show our appreciation for our military men and women and maintain this project with the Field of Honor.

The Field of Honor began as a way for the community to honor those who have served this Country and our community. You can dedicate a flag in honor of or in memory of a family member or anyone you feel is deserving. (veteran, active service member, law enforcement, firefighter, family member, etc.). Flags will be displayed during the months of November for Veterans Day, May for Memorial Day and June for Flag Day. The Field of Honor will be assembled along the fence line off of Woodlawn Ave. (along with dedication cards). Your \$25 contribution will cover the entire school year. All proceeds, from this annual fundraiser, will help maintain the Wall of Heroes project.

As mentioned above, the Field of Honor will be erected in November for Veterans Day and then again in May for Memorial Day and Flag Day in June. If you missed the chance to honor someone you care about in November, do not worry. You still have an opportunity to honor that individual in May. All proceeds from this annual fundraiser go to maintaining the Wall of Heroes honoring all who have served.

If you are interested in dedicating a flag, please complete the attached form and mail to Smithtown High School East, Attn: William Coderre with a check payable to Smithtown HS East. (Please write Leadership Field of Honor in the Memo Section) Feel free to reach out to me with any questions.

If you know of any alumni – graduates of Smithtown High School East, Central High School, and Smithtown Branch High School – who have served in any branch of the armed forces, please let them know about our Wall of Heroes at Smithtown East. The application can be found on the Smithtown HS East website under Wall of Heroes. You will also have access to the Wall of Heroes Presentation.

Thank you so much for all of your help with our ongoing projects to honor the men and women who protect this country.

Regards,

William Coderre
