Dear Class of 2026 Families,

This year our annual College Onsite Admission Day will take place in the library over the course of two separate days. We will be hosting Representatives from Long Island University, St. Joseph's University, Mercy University and Farmingdale State College. Please see attached flyers for specific information on dates as well as student registration information. If you have any questions, please do not hesitate to reach out to myself or your child's School Counselor.

Sincerely,

Sara Stone
