Science Honor Society Students Spread Holiday Cheer

This week the Science Honor Society came together to create Holiday cards to be distributed to the residents at the St. Catherine's Nursing Home. This activity was put together by the board members of the Science Honor Society. These students took it upon themselves to gather all the necessary materials and coordinate the making of the cards as well as the distribution to the nursing home residents.

Three West Student-Athletes Make Newsday Top-100 Basketball Lists

Congratulations (left to right) to Alyssa Lorefice, Michael Cascione and Kate Braun!

West Hosts 14th Annual District-Wide Tri-M Honor Society Dinner

Over 130 students from West and East came together for this annual event that features food, performances and friendly competition. Additionally, students collected food donations that were made to the Smithtown Emergency Food Pantry. A great time was had by all and a special thank you to all the teachers who organized and chaperoned the event!
