

THE WEST WEEKLY

March 2, 2025

Jackie Vinas Selected for Leadership Conference

Congratulations to Jackie Vinas for being selected to attend the NYSPHSAA Student Leadership Conference in April! This event takes place annually in Albany and is for current 10th and 11th grade students as they look to sharpen their leadership skills and continue to be positive influences on their teams, athletic departments, schools and communities.

Physics and Astronomy Club Students Set to Compete at BNL Bridge Building Challenge

Our West Physics and Astronomy Club students are competing in the annual Brookhaven National Lab Bridge Building Engineering Challenge. Six students designed, built and entered their bridges to withstand over 100 pounds of crushing force being applied on March 14, 2025 at the BNL Testing Lab in Brookhaven.

The entrants are - Veronika Leshko (displayed by Ella Mollura), Austin Read, Sean Lee, Ryan Davidsen, Ishaanth Reddy Guduru and Meneks Tolu (displayed by Mr. Limoli)
