Level 5 Italian Students Enjoy Memorable NYC Trip

Signora Cava's Level 5 Italian Seniors attended Lincoln Center's Opera House to see "Il Trovatore" by Italian composer Giuseppe Verdi. Students have been studying the origins and history of opera and the Italian composers that influenced music throughout Europe and across the globe. The experience was followed by a visit to Eataly where students had the opportunity to sample and purchase Italian delicacies such as "gelato", "cannoli", "focaccia", "pannini", fresh pasta and more. A great time was had by all!
