Dear First Grade Families,

We are so excited to start this new school year with you! First grade is filled with learning and fun. You will make new friends & learn how to be a good classroom citizen. We will read LOTS of books, write stories, do math activities, science experiments, and create lots of fun projects.

Each day in school, we will have a snack and lunch. We ask that you **keep your snack in a separate bag, labeled with your name and "snack"**. Please be mindful of any allergies in your class. We still have some summer left, so go out and play! Make lots of great memories so we can share them when we are together.

On your first day of school, bring your backpack, lunch & snack and.... A SMILE! If you did not bring your supplies on drop-off day, please bring those as well!

We can't wait to see you and start an amazing FIRST GRADE YEAR!

From,

The First Grade Teachers

P.S. Mrs. Fleming (the art teacher) is asking for donations of baby wipes. If you would like to contribute, please send them in at your convenience and label them ART.
