Dear Kindergarten Families,

Welcome to Kindergarten! We are so excited to start this new school year with you.

Kindergarten is filled with learning and fun. You will make new friends & learn about being a good classroom citizen. We will read LOTS of books, write stories, do math activities, science experiments and create many fun projects.

Each day in school we will have snack time and lunch time. We ask that you keep your snack in a separate bag, labeled with your name and "snack" so you don't eat it all at lunchtime.

We still have some summer left, so go out and play! Make great memories so we can share them when we are together.

On your first day of school, bring your backpack, lunch, snack and... A SMILE!

We can't wait to see you and start a "MOO"velous Kindergarten Year!

Love,

The Kindergarten Teachers
