

# Girl Scout Troop 552 Needs Your Help!

## Bottle Cap Collection for Our Silver Award Project

We are collecting plastic bottle caps to help create a beautiful, eco-friendly community art project!

### How You Can Help:

- Save your clean plastic bottle caps (any size, any color!)
- Drop them off at Accomsett Elementary School
- Collection dates: Now through June 15

### Why Bottle Caps?

Plastic caps are often not recycled—by collecting and reusing them, we're keeping plastic out of landfills and creating something amazing for our community!

**Thank you for supporting Troop 552 and our journey to the Silver Award!**
