Have you noticed the line out the door on weekend mornings in St. James? It's no mystery—it leads straight to **Peach and Pine**, the beloved small-batch bakery and café that's captured the hearts (and sweet teeth) of the community since its opening on **January 18th**.

At our next **Community Table Meet & Greet**, we're thrilled to welcome **Ashley Rowland**, the visionary owner behind this local gem. From **Boston cream brioche donuts** to **cinnamon-cardamom raspberry jam delights** and **vanilla bean glazed beauties**, Ashley's baked creations

have quickly become the talk of the town—and, some say, *the pies are to die for*.

But Peach and Pine is more than just a bakery—it's a story of passion, quality, and community connection. Come hear **Ashley share the recipe for her success**, how she built a business with intention, and what it's like growing a local brand that people literally line up for.

✨ Whether you're a fellow business owner, aspiring entrepreneur, or just a fan of good pastries, don't miss this inspiring conversation.

♥ *And yes—she just might let us in on what makes those donuts worth the wait!*

**Kindly let us know if you plan to attend.**
