Keep Scrolling to See Our *Community Partner Agencies* Volunteer Opportunities!

The Summer Solstice, on June 21st, 2026, marks the official first day of summer and the longest day of the year.

With more daylight and warmer weather, it's the perfect time to get outdoors, spend time with family and friends, and enjoy all that the season has to offer.

We wish everyone a fun, safe, and healthy summer!

[Past Program Highlights](#)

[May Events](#)

May was a busy month for the Smithtown Youth Bureau as we continued to connect with youth, families, and community partners through a variety of outreach and educational events. Staff attended the Brentwood Wellness Fair, where community members explored wellness resources, learned healthy coping strategies from local vendors, and enjoyed cultural and musical performances.

In partnership with Horizons Counseling & Education Center, we hosted an Open House, providing an opportunity for community members to tour the facilities, meet staff, and learn more about the programs and services available to support local youth and families.

We also participated in Kings Park High School's Hope Week, helping raise awareness about mental health and available community resources.

Additionally, the Youth Bureau facilitated a Study Skills Program with a local Girl Scout troop, equipping participants with valuable strategies for organization, time management, and academic success.

Through these events, we continued our mission of promoting wellness, education, and positive youth development throughout the community.

Happy Father's Day

The very first statewide Father's Day was celebrated in Washington State on June 19, 1910.

Although, it wasn't officially signed into law as a permanent federal holiday until 1972 by President Richard Nixon.
