Partially funded by a grant from the Suffolk County Department of Parks

While we are grateful for partial funding from the **Omnibus Grant** (with thanks to Legislator Rob Trotta and the Suffolk County Department of Parks), additional support is needed to make this series possible.

We'd like to extend our heartfelt **thanks to our current sponsors** who have already jumped on board to support this community celebration—you are helping to keep the arts alive in St. James!

We extend our heartfelt thanks to the generous sponsors of the Celebrate Park Summer Concert Series. Your support transforms quiet Sunday evenings into vibrant community celebrations filled with rhythm, joy, and connection.

Because of your partnership, local talent has a stage, families have a reason to gather, and the heart of our community beats a little louder all summer long.

✨ **Thank you for helping us turn up the volume on community spirit!** ✨

With gratitude,
