

2026 After School Programming Offerings

Looking for a unique after-school program that brings history to life?

Give your students a **non-competitive, highly interactive STEAM** experience where they can explore history hands-on!

During this **seven-week session**, children ages **7-10** will:

- Wear historical costumes
- Tour museum exhibits
- Handle real artifacts typically kept behind glass

Each week features immersive activities led by our educators, such as:

- Planting local herbs and crops used for food
- Churning butter the old-fashioned way
- Dyeing fabrics with natural materials
- ...and much more!
