OPEN TO ALL ELEMENTARY STUDENTS IN THE SMITHTOWN SCHOOL DISTRICT

MAKE FRIENDS AND *make the world better.*

K-Kids is a club made up of students who want to make a difference in our school and community. We take turns leading projects and our club so we can learn how to lead as we serve others. We work together to decide what projects we want to do and how we want to do them. We fundraise. We roll up our sleeves and do service projects. We even write letters when we see things we want to change.

Helping others ends up helping us too. We learn how to lead and make things happen. We discover how to work with each other and bring out the best in one another. Best of all, we make friends who care as much as we do about creating a better world.
