Smithtown Sensational Science Club

Before School 8:20 AM – 9:20 AM
For students in Grades 2nd through 5th

SENSATIONAL SCIENCE 3

Springtime is almost here, so let's spring into a new set of science experiments with Sensational Science 3. During this club, students will explore ancient time pieces. Next, students will study properties of light. Last, students will investigate two forces: "lift" and centrifugal force.

Where?	When?
