What Cub Scouts is About

Cub Scouts is an active program for children (both boys and girls) in kindergarten through fifth grade and their families that encourages learning, friendship—and most of all—getting out and having fun! Your child will join with others in the same grade in a “den” led by the parents and have a Handbook of adventures for their gradelevel. All of the Cub Scouts and families in the dens make up the “pack”, also led by parents. With an emphasis on outdoor events, small gatherings, and activities with family, Cub Scouts is a great way for your kids to socialize, learn, and have fun.

Flexible Experiences that Fit Your Family's Schedule

From big overnight pack trips to small local den adventures, camping in a tent to building a pinewood derby car, trying new things and playing sports to learning STEM, there's truly something for everyone to do and enjoy in Cub Scouts. Bring the whole family to participate in activities with you!

- Parents work together to establish the den schedule
- Cub Scouts works around sports schedules and you participate as your time allows

Cub Scout Pack 57 is currently accepting new members.

Scouting Builds Character and Develops Leadership Skill

Kids love Cub Scouts because *it's fun*. And, Scouting teaches values-based leadership and character strengths, too. It builds new confidence and social skills. It teaches the value of service and citizenship. In Cub Scouts, youth learn what it means to be a Scout today—and a leader for tomorrow, through our Scout Law. A Scout is...

- Trustworthy
- Loyal
- Helpful
- Friendly
- Courteous
- Kind
- Obedient
- Cheerful
- Thrifty
- Brave
- Clean
- Reverent

Scouting Safely

The health and safety of our Scouts is first and foremost. We provide registered volunteer leaders tools to present a safe environment and fun learning opportunities in small grade-specific groups right in your neighborhood.
