Clay Creations Workshop Ages: 6-12, Two day session: \$75

January 29 & February 5, 6:00-7:30

Get ready to sculpt, shape, and paint your very own clay masterpiece! In this two-session workshop, young artists will explore the art of 3D design from start to finish. Day 1, students will learn basic clay sculpting techniques as they design and build their own original sculpture. Day 2, once their piece has dried, they'll bring it to life with color using paint and finishing details.

Private and Semi private classes are available upon request.

Semi private: Form your own classes with a few friends. Materials and subject to be decided by student. Priced according to class size and material choice.
