June 6, 2022

Dear Parent or Guardian of the Class of 2023:

I hope that this message finds you and your family well as the current academic year comes to a close.

With the start of the summer right around the corner, I know that many of our junior students are looking forward to the start of their senior year and all of the associated privileges that come with being a senior student. We have begun the process of planning our senior parking system for the new school year, which allows members of our rising senior class who intend to drive to school in the fall and who meet the requirements the opportunity to partake in this privilege.

Shortly, I will be sending home information regarding our Virtual Safe Driving Presentation that your student will be able to watch over the summer in order to be eligible for a parking sticker during their senior year. Upon completing the requirements of this virtual assignment, students will be able to print out and sign our Safe Driving Contract and Rules. This will be collected during our Parking Sticker Distribution days that will be scheduled for late August. More information about our Senior Parking Sticker process will be sent during the summer.

Thank you for your continued support of our high school program and offerings. Please do not hesitate to contact me with any questions or concerns.

I wish you and your family a safe, relaxing and wonderful summer!

Sincerely,

Michael Aleci
Assistant Principal
