FASHION Illustration Classes

Introduction to Fashion Illustration
Saturdays July 9 through August 13

Fashion Illustration 1

Do you LOVE Fashion?

We will discuss the differences between drawing a fashion figure as opposed to drawing an "average person". I will teach you the elongation points along with various methods of achieving a great **Fashion Figure**. Come, enjoy, and have fun with a real Fashionista!

Beginners - 6 week session 10 am - 12 noon \$250.00 (July 9-August 13)
Discounted price to take both courses \$400

Fashion Illustration 2

Thinking of becoming a "**Fashion Major**" in college, or just interested in learning the techniques? These classes will get you started.

Learn the **portfolio** requirements for the top Fashion schools and work with Beth Drucker, our Fashion Professor to help you build the type of portfolio the Fashion Schools are looking for today. Give your "Passion for Fashion" a chance to expand, while drawing and designing to put a great **Fashion Portfolio** together!

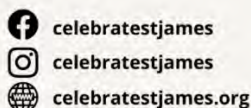

Intermediate - 6 week session 1 pm to 4 pm \$250 (July 9-August 13)

Classes taught by F.I.T. Professor
